Lesbian Gay Bisexual and Transgender Community Support Group

Society makes it hard for people to just be themselves...especially when they are viewed as "different" or other.

To show support & to declare as well if people wish to....Being different is great! And NO ONE should feel ashamed of who they are.

We are a self help group and meet on a monthly basis. This is your opportunity to meet new people in a warm friendly atmosphere where we can talk about our lifestyles, hardships, joys, intimacies and well...everything and anything else you would like.
