

THANET REVIEW

Welcome to the June 2011 issue of the Thanet Day Service Newsletter

The six weeks Papier-mâché art and craft group at Holy Trinity church on Thursday's finished on 12th May. The Richmond Fellowship would like to say a big thank you to the artist Vicky Prince who gave her time and expertise in demonstrating techniques of this traditional craft to the group. The results are fantastic!! Very well done to everyone who took part and achieved, in only six weeks, some beautifully crafted but individually decorated hearts and mice.

Service user's commentsAnita said "I have enjoyed the group and the atmosphere has been great I would like to say a special thanks to Vicky for all her hard work. We have all made a heart and a mouse and the outcome has been wonderful". Kathy said "what a bright sunny day to end Papier-mâché classes. The comment from all of us was that Thursday was so enjoyable. We each felt an accomplishment in the end and it was great fun" Other comments from the group were "I didn't think I wanted to do it but I'm really glad I did" Susan. I'm so please with what I have done" Sean.

We hope, with Vicky's help, to run another Papier-mâché course later this year
