

A Woman's View

Exploring mental health experience through an artists eye

Monday 10th January 2011
Tonbridge Baptist Church

A day for women to discuss, share and learn from each others experiences. Giving women a voice and influencing support services.

Duration

1 Day: 10am – 3.00pm – No Fees.
Lunch will be provided.

Intended Audience

Any woman with a personal or professional interest in improving mental health services for women.

Aims

- To provide a safe place for women to discuss in confidence.
- To create a space where professionals and service recipients can learn from each other.
- To increase awareness of the diverse issues facing women with mental health concerns
- Highlight what women need to providers of mental health services.

The Workshop

Using art work specially produced for this event to stimulate discussion, the workshop will focus on the theme of 'The 3 phases of womanhood' (18-35, 35-60, 60+).

Applications

Applications are actively encouraged from women from diverse backgrounds including older women, lesbians, ethnic minorities, carers, trans women, faith groups and those with disabilities.
